INTRODUCTION

The *Illinois Register* is the official state document for publishing public notice of rulemaking activity initiated by State governmental agencies. The table of contents is arranged categorically by rulemaking activity and alphabetically by agency within each category.

Rulemaking activity consists of proposed or adopted new rules; amendments to or repealers of existing rules; and rules promulgated by emergency or peremptory action. Executive Orders and Proclamations issued by the Governor; notices of public information required by State Statute; and activities (meeting agendas; Statements of Objection or Recommendation, etc.) of the Joint Committee on Administrative Rules (JCAR), a legislative oversight committee which monitors the rulemaking activities of State Agencies; is also published in the Register.

The Register is a weekly update of the Illinois Administrative Code (a compilation of the rules adopted by State agencies). The most recent edition of the Code, along with the Register, comprise the most current accounting of State agencies' rulemakings.

The *Illinois Register* is the property of the State of Illinois, granted by the authority of the Illinois Administrative Procedure Act [5 ILCS 100/1-1, et seq.].

employee's salary to the amount that is equal to that of an employee on the maximum Step rate with the same number of years of continuous and creditable service. Employees receiving the longevity pay shall continue to receive the longevity pay as long as they remain in the same or successor classification as a result of a reclassification or reevaluation. Employees who are eligible for the increase provided for longevity pay on or before January 1, 2002, shall continue to receive longevity pay after being placed on Step 8 while they remain in the same or lower pay grade.

For the Revenue Tax Specialist II position classification title only – The pay grade assigned to the employee is based on the location of the position and the residence held by the employee. In the same position classification, the employee holding a position and residence outside the boundaries of the State of Illinois is assigned to a different pay grade than the pay grade assigned to the employee holding a position within the boundaries of the State of Illinois. The pay grade assigned to the employee holding a position located within the boundaries of the State of Illinois is the pay grade with the (IL) indication next to the position classification. The pay grade assigned to the employee holding the position located outside the boundaries of the State of Illinois is determined by the location of the employee's residence or position location (e.g., IL, CA or NJ or a state other than IL, CA or NJ). If the employee's residence moves to another state while the employee is in the same position located outside the boundaries of the State of Illinois, or moves into another position located outside the boundaries of the State of Illinois in the same position classification, the base salary may change depending on the location of the employee's new residence. In all cases, change in base salary shall be on a step for step basis (e.g., if the original base salary was on Step 5 in one pay grade, the new base salary will also be on Step 5 of the newly appropriate pay grade).

For the Revenue Audit Supervisor, Revenue Auditor I, II and III, Revenue Auditor Trainee, and Revenue Computer Audit Specialist position classification titles only – Effective July 1, 2010, State employees appointed to positions allocated to the Revenue Audit Supervisor, Revenue Auditor I, II and III, Revenue Auditor Trainee, and Revenue Computer Audit Specialist classifications shall be assigned to the pay grades:

- a) Summary and Purpose

ILLINOIS STUDENT ASSISTANCE COMMISSION

NOTICE OF EMERGENCY AMENDMENT

Effective January 1, 2015, Public Act 98-1022 amended the Illinois Pension Code and the Illinois Prepaid Tuition Act, imposing duties on the Program designed to increase racial, ethnic and gender diversity of investment fiduciaries and Investment Managers by requiring investment boards subject to the Pension Code and the Program to establish diversity goals. This Section has been created in order to effectuate those goals and other procurement methodology. This Part complies with the provisions of Public Act 98-1022 and the Illinois Prepaid Tuition Act to ensure investment transparency and objective consideration of potential investment services providers in conformance with the fiduciary duties imposed by those laws. The procurement of all investment services and fiduciaries by the Program will be conducted in accordance with the [Illinois Procurement Code \[30 ILCS 500\]](#) and the additional competitive selection procedures set forth in this Section.

Should a search be conducted for which a developed database does not exist or is incomplete, Investment Managers may be requested to submit a written Request for Information (RFI).
- 3) No fee is required to participate in the Manager Database. It is essential that all interested parties are able to enter required information into the database. Investment Managers should contact the Consultant for assistance with the database and should contact Staff regarding any unresolved issues or concerns related to the Manager Database submission for a Fund related search. Contact information for the Consultant and Staff will be available on the Program's website.
