New Morris Facility Set to Open Tuesday, March 5

Illinois Secretary of State Jesse White announced today that the new Driver Services facility located at 425 East Route 6 in Morris will open on Tuesday, March 5. The facility is approximately 2,500 square feet, which is about 300 square feet larger than the former facility that had been located at 2413 Sycamore Street.

“This new facility in Morris will be conveniently located and is only two miles from the former facility,” said White. “As our lease at the previous facility was set to expire and the owner of that space wished to move in a different direction, it was my priority to find a new location in Morris.”

White’s office has been working with the new landlord who, as part of the 10-year lease agreement, is in charge of making necessary modifications to the building. These modifications, standard when opening a Driver Services facility at a new site, are designed to maximize the facility’s traffic flow and efficiency.

Prior to the Morris facility opening on March 5, customers are encouraged to visit the nearest Driver Services facilities, including 201 S. Joyce Road in Joliet; 404 Stevenson in Ottawa; and 201 Dannys Dr, Ste 6 in Streator.
