*Help support organ donor awareness efforts across Illinois.*

Dear Friend,  
Millions of Illinois residents have taken the challenge to join the Organ/Tissue Donor Registry. Yet, it is still not enough to meet the growing demand of those waiting for transplants.

Chicago Bear great Walter Payton's struggle with a rare liver cancer helped increase public awareness about organ donation. In honor of Mr. Payton and to continue educating the public about the critical need for organ and tissue donors, my office offers Organ Donor License Plates.

By purchasing a set of these plates, you can help support organ/tissue donor awareness efforts across the state. A set of the plates costs \$25, in addition to the standard \$78 registration fee, and are available for passenger vehicles, B-trucks or vans. A \$25 fee is charged upon renewal, in addition to the annual registration fee.

To obtain an application, please complete the attached form and mail it in a stamped envelope to: Secretary of State Jesse White, Organ Donor Program, 2701 S. Dirksen Parkway, Springfield, IL 62723. For more information, please call 217-782-6258, 312-814-8921 or visit [www.cyberdriveillinois.com](http://www.cyberdriveillinois.com).
