- No half points awarded. You must tally sheet for 1st, 2nd & 3rd place before turning it into Registration.
- You must look under the auto to make sure fluids aren't leaking.
- Keep in mind that all judging is subjective. You are only judging the vehicle, not the owner.
- When conferencing to assign point value, step away from participants.
- Thoroughly inspect the vehicle for authenticity and condition, including comparison with other vehicles in the class.
- Consider that you are judging a given class and compare vehicles in the class until you are certain the "best" has the most points.
- Remember to compliment one part of the vehicle. Avoid excessive criticism.
- Above all, "BE CONSISTENT" in your judging of all vehicles.
- Add all points and assign first, second and third place in this class.
- Awards to be given at approximately 3 p.m. pending judging.
