- No half points awarded. You must tally sheet before turning it into Registration.
- Keep in mind that all judging is subjective. You are only judging the motorcycle, not the owner.
- Thoroughly inspect the motorcycle for authenticity and condition, including comparison with other motorcycles in the class.
- Consider that you are judging a given class and compare motorcycles in the class until you are certain "best" has the most points.
- Remember to compliment one part of the motorcycle. Avoid excessive criticism.
- Above all, "BE CONSISTENT" in your judging of all motorcycles.
- Add all points and assign first, second and third places for this class.
- Awards to be given at approximately 4 p.m. pending judging.
