Springfield is home to the Secretary of State Police Command Center and support service personnel, as well as the Police Inquiry Unit, which responds to emergencies and law enforcement inquiries on a 24-hour basis. Springfield also is home to the Capitol Police Unit.

The department has five uniformed district offices located in Villa Park, Elgin, Springfield, Mt. Vernon and Belleville. The department regulates the automotive industry, tracking auto thieves, conducting surveillance on suspected "chop shops," infiltrating auto theft rings, investigating fraudulent state identification documents and conducting "sting" operations. Each year, hundreds of thousands of dollars in stolen vehicles and vehicle parts are recovered statewide.
